

**FLOWTRONIX (FT)**

# **INDUSTRIAL CLEANING WIPES**

Founded in 1990, **FLOWTRONIX (FT)** is a leading Manufacturer, Stockiest, Distributor and Supplier of the complete range of high quality Personal Protective Equipment (PPE) and safety solutions. We provide a diverse product portfolio for consolidated safety purchasing to our strategic end user clients, distribute products and services through our largest integrated network of resellers, retail stores and distribution centers.

## Personal Protective Equipment (PPE)

FT offers a full range of safety solutions for your professional needs. We offer high quality personal protective equipments which guarantee protection against wide range of risks associated with high degree of comfort for our users. We supply our products to all industrial sectors that need protective equipment for their manpower against all kinds of occupational hazards. FT work towards by implementing a total "Head-to-Toe" safety concept to the HSE standards by providing authentic, environment friendly and quality Personal Protective Equipment.

## **FT** SAFETY FIRST AT EVERY WORKPLACE

Serious injury or death in the workplace changes lives forever - for the families, friends, co-workers, employer and communities. That is why it is very important to apply Safety First philosophy in every workplace. Effective health and safety in your workplace can help keeping your employees happy and productive, at the same time reduces the human and business costs of injuries.

INDUSTRIAL CLEANING WIPES

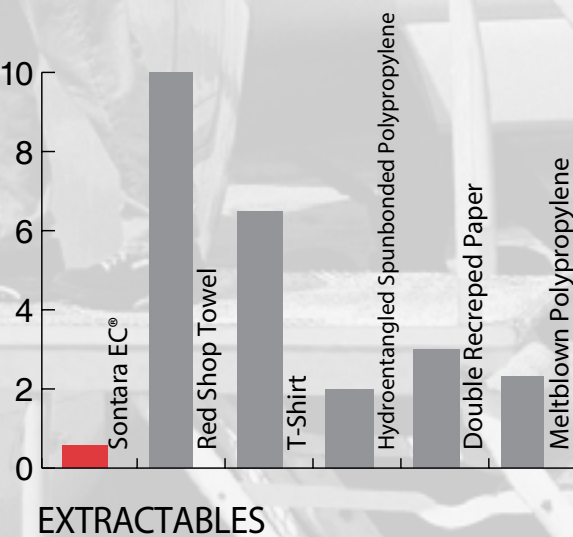

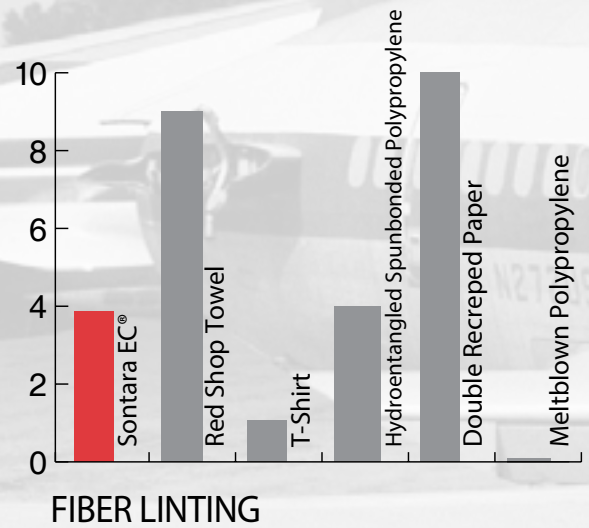

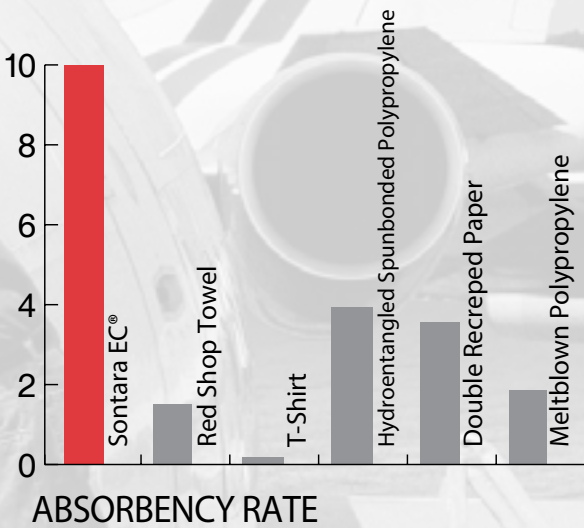

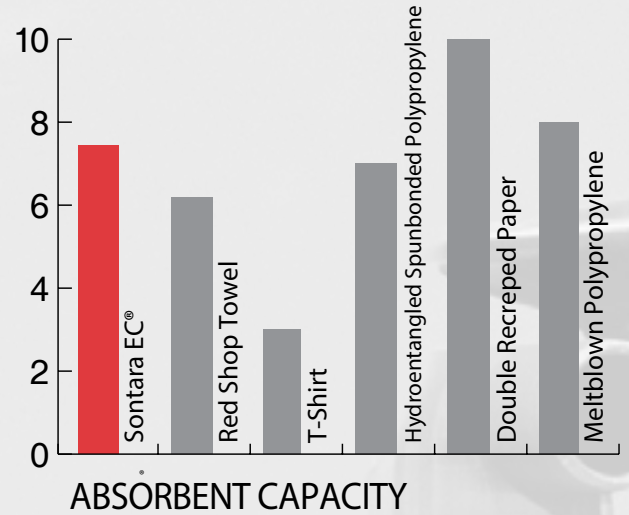

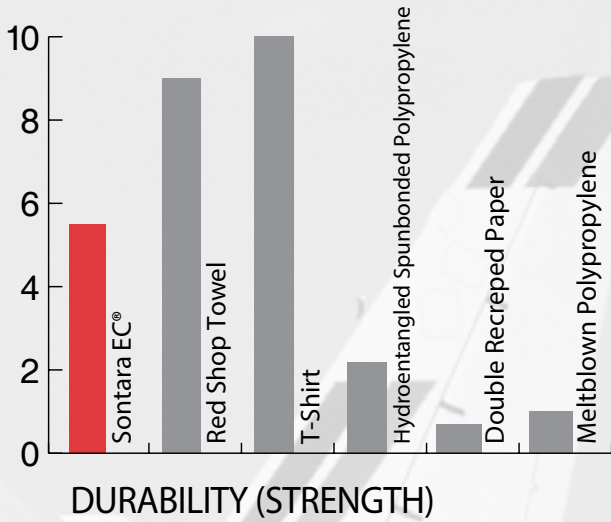

### **SONTARA®**

Sontara® is known for its high quality standards (certified in ISO 9001:2008) and technological expertise in high-performance fabrics. This unique fabric is the result of an advanced spunlace technology. Contrary to many non-wovens, Sontara® does not contain any silicone, binders, fillers or other chemical additives. These exceptional features make Sontara® fabrics ideal for uses and applications in many industries around the world, including:

- Aerospace
- Electronics
- Life Sciences and Pharmaceutical
- Hospitality
- Automotive Refinishing
- Health Care & Institutions
- Manufacturing and Transportation
- Food Processing and Food Service
- Clean room
- Printing

## Delivering cleanliness in critical environments

### Complete line of wiper solutions

Sontara® offers a broad portfolio of wiping products for cleaning critical environments. Manufactured with unique, proprietary technology, Sontara® wipes deliver super absorbency, excellent strength and durability, softness and extremely low-lint.

#### Sontara® Advantages:

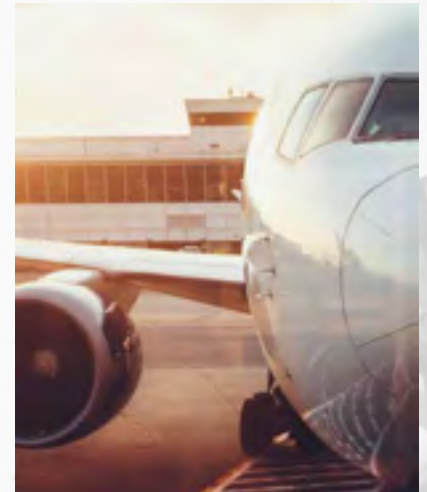

- Safeguard your products and processes and minimize the potential for product defects and associated yield losses
- Improve productivity and profitability because you get the job done quickly, and right, the first time
- Enhance the quality of your work and proactively protect your environment from contamination with Sontara® – a wiping solution with no binders or chemical residue

## AEROSPACE

Sontara® offers wiping solutions that are specially engineered for aerospace manufacturing and maintenance. Meeting the tough specifications required for this industry, the uses for Sontara® wipes vary from surface preparation before coating, sealant or adhesive application, to equipment maintenance, to wiping surfaces clean or dry.

#### Sontara® Aerospace products:

- Sontara® Aerospace Grade Wipes
- Sontara® Window Wipes2

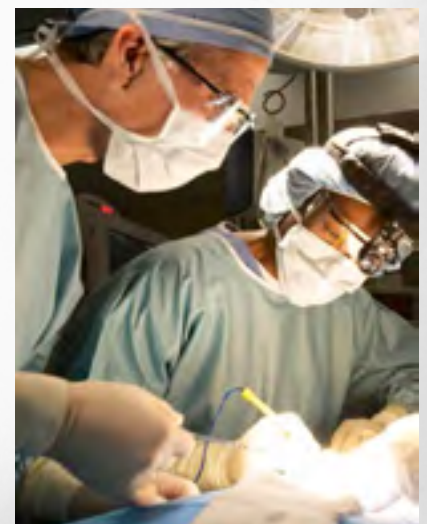

## HEALTH CARE AND INSTITUTIONS

Medical offices and hospitals require a high level of cleanliness. That calls for durable, highly absorbent wipes that soak up the big spills and wipe dry. Sontara® products do this and more.

Sontara® wiping products have excellent absorbency – soaking up to 6X its weight in water. They maintain a clean outward appearance, and they are strong enough for use with cleaning and sanitizing agents.

#### Sontara® products for Health Care and Institutions:

- Sontara EC® Wipes

## HOSPITALITY AND FOOD SERVICE

When it comes to the hospitality and food service industries, clean-up is no easy task. A strong, clean, wiping product with outstanding cleaning abilities is required, and it must be safe and exceptionally absorbent.

Sontara EC® wipes are all-purpose, engineered cloth wipes with exceptional absorbency, strength and low-linting properties. Plus, they are food-contact approved – making them perfect for this industry

### **Sontara® products for Hospitality and Food Service:**

- Sontara EC® Wipes

## MANUFACTURING AND TRANSPORTATION

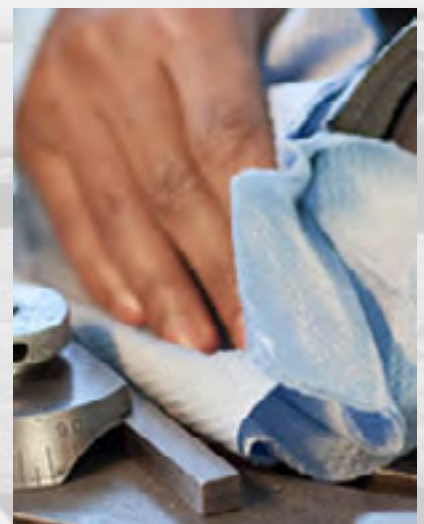

Sontara EC® wipes are all-purpose, engineered cloth wipes with exceptional absorbency, strength and low-linting properties – making them well-suited for the many clean-up and prep tasks in the manufacturing industry.

INDUSTRIAL CLEANING WIPES

# Sontara®

Our Sontara® fabric is low-linting, exceptionally clean, and has the built-in strength of spunlace technology, making it extra-durable. Products made with Sontara® fabric can handle the toughest cleaning challenges because they are so strong and resistant to wear and tear that they maintain exceptional strength, even when wet. They won't fall apart when used with MEK1, isopropyl alcohol, solvents and other cleaning agents, making them a very cost-effective cleaning choice.

Our Sontara® wiping products are designed to meet the demands of a range of industries with various cleaning needs. And, all Sontara® fabric and products are made under the strictest production controls, to ensure consistent quality.

Sontara® Health Care fabric is soft to touch and through advanced material technology provides a splash-resistant barrier that's breathable. It keeps operating room personnel cool, fresh and comfortable while they work, helps you to feel more confident and in control.

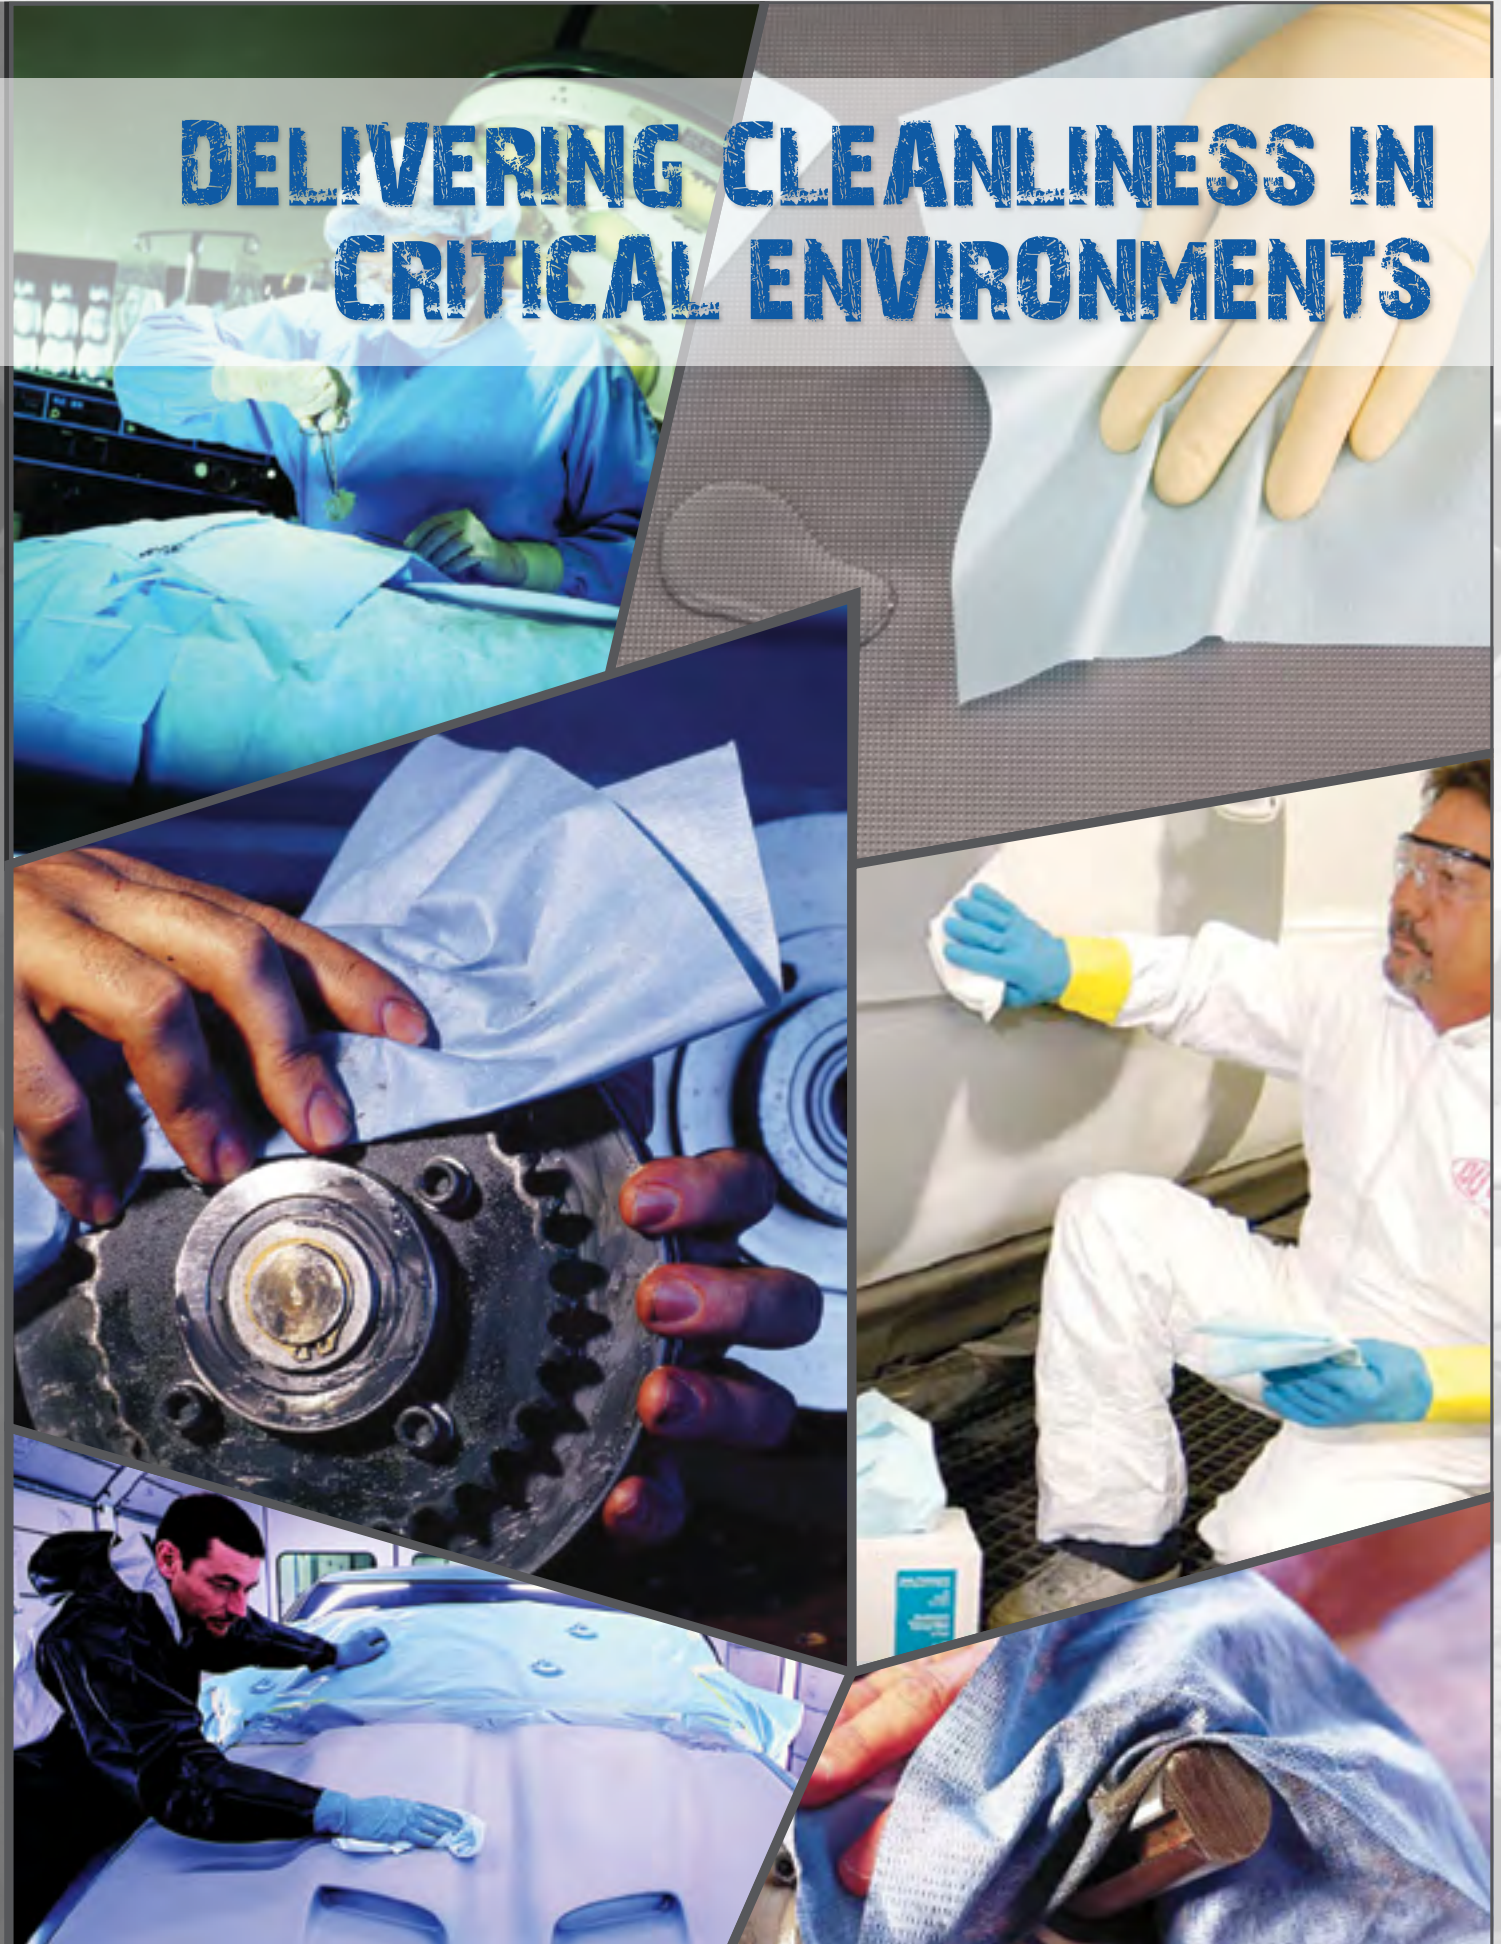

## SONTARA RANGE:

• Aerospace Grade Wipes .....	08
• Window Wipes .....	09
• Golmar Wipes .....	10
• EC® Wipes .....	11

# DELIVERING CLEANLINESS IN CRITICAL ENVIRONMENTS

INDUSTRIAL CLEANING WIPES

## AEROSPACE GRADE WIPES

Art No.: 59125FT132

### Specifications & Features:

- Sontara® aerospace grade wipes feature performance advantages ideal for aerospace manufacturing and maintenance, yet they're also great for wide range of important applications.
- Enable critical cleaning essential to industries like biotechnology, pharmaceuticals, electronics, and power generation—and are equally effective in applications in machining operations, preparation for coatings application, and military weapons maintenance.
- Aerospace Material Specification AMS 3819B, Class 2, Grade A
- Boeing Material Specification BMS 5-15F, Class A
- Bombardier Aerospace
- Cessna Aircraft Company CSFS039
- Douglas Material Specification DMS 1820E
- Pratt & Whitney GA11-100E

INDUSTRIAL CLEANING WIPES

### EVERYTHING A WIPE SHOULD BE

Tough & Durable for Multiple Reuse

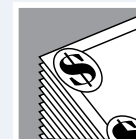

Absorbent & Wipes Dry

Low-Linting

Solvent-Resistant

Saves Money

### Additional Product Information

Size: 370 mm x 500 mm	Qty./Box: 300 Wipes
Weight: 80 g/sq. meter	Color: Blue

## WINDOW WIPES

Art No.: 59126FT131

- Specifications & Features:
  - Soft and porous to be gentle on windows
  - Proprietary fabric composition is softer than conventional wipes
  - Features apertures that gently pick up and remove dirt to reduce risk of scratching
  - Contains no additives that can hamper absorbency
  - Clean and low-linting
  - Exceptionally clean—contains no added chemicals or binders
  - Manufactured in a unique process that creates a strong, low-linting fabric
  - Specially designed to resist snagging and fraying
  - Application versatility
  - Cockpit transparencies
  - Passenger windows (cleans both interior and exterior surfaces)
  - Other acrylic, polycarbonate or glass surfaces onboard aircraft

Size: 300 mm x 420 mm	Qty./Box: 25 Wipes
Total count: 500 quarter folded wipes	Color: White

## GOLMAR Art No.: 5983FT00

### • Specifications & Features:

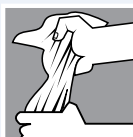

- Engineered to be tough for better performance
- All-around performance, wet, dry or in between.
- More versatile than cloth rags, stronger and more durable than paper, and less expensive in use than both
- They're made under strict production controls for consistent quality, uniform size and packaging – all advantages you expect from DuPont
- Large Sheets, Long Lasting, Extra Absorbent, Solvent Resistant, Virtually Lint Free
- Less wipes - lower cost, Gives you peace of mind
- Only use 1 wipes instead of many Improves productivity
- Will not contaminate surfaces
