

IGNITE ION HARNESS

Article No.: 69162SK454

Model No.: G-1130

All-round safety harness for all classical applications in construction and maintenance has above all one major feature due to simplified adjustment options in the chest and leg area as well as three different sizes. Even for users who rarely wear PPE against falls from height, the IGNITE ION is extremely easy to use. The buckle by Fidlock in the chest area snaps magnetically and closes almost automatically. The two orange roping-up loops made of fabric are approved for joint use and equipped with abrasion indicator for maximum safety.
