PORTABLE EMERGENCY EYEBATH

Article No.: STD-28G

Unheated Portable Emergency eyebath, incorporating a stainless steel cylinder with pressure gauge and hand-held eyebath diffuser on flexible hose. The hand-held eyebath can be used to treat disabled personnel or can be used for decontaminating the individual eye or used for washing other parts of the body.

- Cylinder contains 11 litres of water when fully charged.
- Designed to give a gentle flow of water for a period of over 2 minutes.
- Cylinder incorporates a pressure gauge and is pressurised to 6 bar via a standard tyre valve.

Note: The unit is supplied empty and should be filled immediately upon installation.
