

### Rig Lizard™ 2021 Article No.: 36135HX277

The Rig Lizard® Series is purpose-built to provide maximum grip in tough situations – with five grip options for water, oils, muds, and lubricants. Each glove is also equipped with our highly flexible IR-X® Impact Exoskeleton™, keeping hands protected from smash and pinch injuries. This combination of multiple technologies and features makes the Rig Lizard® the ideal solution for common oil, gas, and mining hazards. And with options for cold and warm weather protection, your hands can stay safe and comfortable in any environment.

#### FEATURES

- Durable TP-X® palm utilizes the highest-level abrasion resistance while maintaining oil-resistant grip.
- Synthetic palm with unique stitching pattern offers unrivaled comfort and dexterity.
- **Full Impact Exoskeleton™** with high-performance IR-X® smash guards provides greater impact protection than the leading competitor.
- Additional IR-X® guard between thumb and index finger secures common pinch and catch points.
- Reinforced index finger and thumb crotch extends glove life.
- Exterior seams implement a double stitched core-spun thread, adding further durability and longevity.
- **SlipFit®** cuff adds comfort and convenience.
- Hi-vis color scheme increases visual awareness.
- **ISEA Level 3 Cut and Level 4 Puncture Protection**
- Launderable
