

WORK COVERALL Article No.: 01154FT36

Flash Armor® inherently flame-retardant and high temperature resistant garments do not support combustion in the air, melt or drip due to their molecular structure and its flame retardant characteristics cannot be washed away. Our range is designed to cater for working conditions around the world as garments are offered in various designs and options.

Flame resistant clothing made with Flash Armor® provides valuable peace-of-mind, which enables those who wear it to focus on the job at-hand & perform to their fullest potential.

HIGH DURABILITY TOGETHER WITH HIGH COMFORT

The lightweight fabric with heavyweight performance. New levels of wearer comfort, you have to feel it to believe it. As the name suggests, durability is a major feature ensuring a long-lasting garment.

- Permanently flame-resistant
- Permanently antistatic
- Extremely durable
- Excellent hand and comfortable garment
