DUPONT™ TYVEK® 400

Code: TYVCHF5SWHLG0100DV

Article No.: 6376DP01

DuPont™ Tyvek® disposable coveralls protect workers from dry particulates in asbestos and lead abatement, paint spraying, maintenance, and more. Comfortable, disposable Tyvek® coveralls feature an improved fit and elastic waist in the back for easy movement. Deliver this excellent protection to workers today.

KEY FEATURES

- 1 The 3-piece hood fits tightly, even when wearers move their head.
- 2 Exterior stitched seams for a high level of protection from the outside in.
- 3 With a 3-piece gusset and elasticated waist, the Tyvek® garment ensures optimal fit with better freedom of movement.
- 4 A tight seal at the critical points of the garment: Tyvek® zipper with protective flap, elasticated cuffs and ankles, elasticated facial opening.

Protection - High particulate, spray & splash barrier.

Durability - TYVEK® is extremely tough, tear & abrasion resistant. Coveralls retain their integrity in arduous conditions and so maintain protection levels throughout their usage.

Comfort - TYVEK® is permeable to both air & water vapor allowing the fabric to "breathe." It is also extremely light, soft and flexible.

Non-linting - TYVEK® is Lint-free material

Contaminant Free - TYVEK® is made from pure high density polyethylene. It does not contain fillers, binders or silicon, so is free of inherent contaminants.

Chemical Splash Resistant - TYVEK® resists water-based liquid chemical splashes up to a pressure of 0.12 bar (equivalent to a 120 cm column of water)

Repellent - TYVEK® has an ultra-smooth surface that repels inorganic liquids and discourages solid particles from adhering

Standard - TYVEK® coveralls meet ANSI 101-1996 sizing regulations.

A WIDE RANGE OF APPLICATIONS:

- Chemicals
- Automotive industry
- Pharmaceuticals
- Food-processing
- Industrial cleaning and maintenance
- Land clean-up
